Contemporary Neurology 2026

Overview

Join neurologists, advanced practice providers and allied health professionals at Contemporary Neurology 2026, held January 17-20, 2026 in Jupiter, Florida. This annual meeting prioritizes real-time neurology, equipping clinicians with the latest information for diagnosing, treating and managing their patients.

Attendees will learn from leading experts through **dynamic scientific programming, networking and industry engagement.**

Benefits of Sponsorship

Sponsors have the opportunity to interact with up to 100 attendees over four days and showcase products and services to academic and clinical leaders in neurology.

Sponsors are also entitled to the following benefits:

- ✓ Refreshments and snacks at networking breaks in exhibit space to drive traffic
- ✓ Discounted accommodations at the Jupiter Beach Resort & Spa
- ✓ Access to complimentary Wi-Fi in the exhibit space
- ✓ A featured social media post
- ✓ Listing in both print and online meeting materials

Attendee Wi-Fi Sponsor <i>Platinum sponsors will keep attendees connected as the official sponsor of complimentary Wi-Fi.</i>	✓			

Additional Sponsor Opportunities

CNSA Membership Meeting | \$10,000

► Sunday, January 18

Members convene over breakfast or lunch to discuss important issues and make decisions that shape the future of the organization. Sponsors may address the group before the meeting begins. The company name and logo will be prominently displayed on printed and online materials.

Sponsored Lectures | \$11,000

Sponsored lectures offer an opportunity to educate and engage with attendees. Four sponsored lecture sessions over breakfast are available. No competing activities or other meals are offered during these sessions.

- Saturday, January 17
- Sunday, January 18
- Monday, January 19
- Tuesday, January 20

CNSA provides:

- Meeting room
- A/V equipment
- Breakfast for attendees

Early Career Scholarship Fund | \$3,000

The Early Career Scholarship Fund supports the education and professional development of fellows, residents and attending neurologists within five years of completing training. Recipients will learn from the program, network with other neurologists, and participate in CNSA's mentorship program.

Medical Student Scholarship Fund | \$2,500

There is a critical shortage of neurologists in the United States and worldwide. The Medical Student Scholarship Fund intends to inspire medical students to select neurology as their specialty for residency training. Scholarship recipients will attend the meeting and be paired with a nationally recognized CNSA member to facilitate their participation in the educational programming and serve as an ongoing mentor through the National Resident Matching Program.

Sponsor Rules & Policies

- 1. Standards:** CNSA adheres to the Accreditation Council for Continuing Medical Education (ACCME) Standards for Commercial Support regarding exhibits and commercial support and expects industry representatives will do the same.
- 2. Attendee list:** ACCME requires that attendees "opt in" to give permission for their name and contact information to be shared with exhibitors.
- 3. Shipping:** Guidelines and information will be provided no later than two weeks before the event. All deliveries must be arranged directly with the venue.
- 4. Exhibit setup and breakdown:** Exhibit space includes one table, two chairs and table covering. Pipe and drape are not available. Exhibitors may use stand-alone or tabletop displays. Setup and breakdown times will be sent to exhibitors one month prior to the meeting.
- 5. Loss or damage:** CNSA is not responsible for loss or damage to sponsor's property. Each company must take precautions to safeguard its materials, equipment and display area at all times.
- 6. Liability:** CNSA is not responsible for storing, retrieving, or transporting any exhibitor materials to or from the hotel or other facility. At the conclusion of the meeting, please arrange shipping for booth materials before leaving the venue.
- 7. Cancellation:** Cancellations must be made in writing to CNSA. No refunds are given, however, credit for a future CNSA event will be considered in extenuating circumstances.
- 8. Signed agreements:** Signed sponsor agreements are important to CNSA's ability to offer accredited continuing medical education. All agreements must be received by December 20, 2025, to guarantee acknowledgement in printed materials.
